

The Hetrick Center used a multi-faceted approach of massage, land PT, chiro and the aquatic pool! They never gave up on me and I was happy to have all my treatments under the same roof.

Great personnel... very friendly and professional.

Awesome place for rehab! The neuromuscular massage is by far the best! Awesome staff!!

Patients are our number 1 priority.

We know that each patient is different and requires their own individualized plan of care.

The Hetrick Center has been serving the tri-county area since 1979. Our founder Dr. Paul Hetrick, graduated from Palmer College of Chiropractic in 1977. In 1995, he invented the HydroWorx® therapy pools which can be found throughout the United States and internationally in hospitals, rehabilitation centers, and professional sports team facilities.

Non-Surgical Approach

COLLABORATIVE CARE

By utilizing evidence-based protocols in the diagnosis and treatment of your condition, our clinical team will assess and guide you through the most appropriate and beneficial treatments. Your successful outcome is our main focus.

EXAMINATION

The Hetrick Center's unique examination will explore the potential sources of your pain that are restricting your activities of daily living. We will evaluate your functional movement patterns by performing a comprehensive biomechanical evaluation.

TREATMENTS

Our personal, non-invasive treatment plans are designed to help you reach your optimal goals. Your program is continually monitored and modifications are made as medically indicated. Our team of experts continually utilize the most recent research to improve your care.

COMMUNICATION WITH YOUR PHYSICIAN

We will communicate with your referring physician regarding your initial examination and your progress throughout the treatment plan.

Your Initial Visit

- ◆ Your initial visit is typically one hour, to enable your non-surgical specialist to perform a comprehensive medical history and examination.
- ◆ We accept most insurances.
- ◆ Please bring your insurance card, detailed medication list, MRI's/x-rays, and other diagnostic reports that are related to your condition.
- ◆ We accept cash, check, and most major credit cards.
- ◆ **CareCredit®** is also available.
- ◆ The required paperwork can be printed at www.hetrickcenter.com under **Patient Resources > Patient Forms**.
- ◆ Please arrive fifteen minutes prior to your scheduled appointment time.
